

Repent- (2 Chron. 7:14) The church must seek repentance for complacency and pride, for allowing doctrine, denomination, race, gender, culture, offenses and countless other reasons to divide us, for permitting His grace and forgiveness to become the fallback for unholiness, for our passivity as evil has reached this magnitude, and for failing to step out and boldly speak up for truth. We must seek His face together, in humility, it's only then that God can heal our land.

First of All – We pray for Each Other and for Our Leaders (in this nation and abroad)(1 Tim. 2:1-3).
